Work Experience

Full Stack Developer Intern

Atomic.VC

React, Redux, Koa.js, Django, Obj-C, Swift

(Jan - April '17)

As part of 5-person engineering team, built from scratch 5 web apps, 2 iOS beta apps for new VC funded ideas.

Principle dev on RESTful Koa.js API for medical Alexa idea.

Built React/Redux components for internal Reddit platform.

Added asynchronous onboarding flow to iOS file sharing app that connected two devices over CoreBluetooth.

Built upload processing endpoints for React/Django app.

Developer & Growth Intern

Blitzen

Django, JavaScript, Optimizely, Google Analytics

(April - Aug '16)

Optimizely A/B split tested & built new JavaScript pricing slider & image carousel → New user signups grew 74%.

Growth Intern

Videostream

JavaScript, Optimizely, Google Analytics

(May - Aug '15)

Developed & A/B tested new site, in-app purchase flow → App downloads up 32%, Weekly active users up 12%.

Wrote 90+ prompts as email support lead of 1.2+mil users.

Co-Founder & CEO

Technically

Algorithms, Optimizely, Google Analytics

(Oct '13 - Dec '14)

Pitched, won \$65,000 in grants/competitions. Interviewed at Y Combinator. Cohort 2 at Google for Entrepreneurs.

Wrote & tested scoring insight algorithms on Google Analytics data for new app: Webplio analytics platform.

GitHub Projects

andrewparadi/get-started-with-jekyll

Docker, Makefile, Jekyll, How-To-Guide

(July '17 - Present)

Dev tools, Docker environment, & beginner's how-to guide to make free, fast, Jekyll websites on GitHub Pages.

andrewparadi/docker-cs350-os161

Docker, Makefile, Unit Tests Script

(May - Aug '17)

Docker image, build-test script (with logging & 24 tests) for os161 work in CS350 Operating Systems course at UW.

andrewparadi/.files

Bootstrap Script, Ansible, Homebrew, zsh

(Mar '17 - Present)

Ansible provisioning of my macOS & Linux environments.

branchow/StockSlate

Algorithms, Bloomberg

Hack the North (Sept '14)

Pitched, won Bloomberg API Prize. Wrote scoring algos to analyze stock portfolios against famous strategies.
